

# WELCOME TO

# GÅSAHOPPET 2018

We are so happy that you and your dog are joining us for our annual agility competition, Gåsa hoppet. The committee wishes you a warm welcome and we look forward to an enjoyable agility Easter weekend together.

We are very happy that we once again are privileged to continue with this Easter tradition in the Nils Holgersson arena. It is of the utmost importance that together we make sure to keep the artificial grass clean and tidy so that this Easter tradition can continue. Therefore, please note that it is forbidden to consume food on the artificial grass.

## START WITHDRAWAL

If your dog has been injured or for any other reason cannot take part in the competition, this has to be notified to [kathrinrunge92@gmail.com](mailto:kathrinrunge92@gmail.com). The competition fee can be refunded because of injury, providing you submit a veterinary certification to the competition committee no later than 8 days after the competition. The certification can be sent in an email to the above address, or can be handed in to the competition secretary on the day of the competition. Refunds are done through SAgIK Tävlings.

## WALK YOUR DOG

You can walk your dog outside the arena. Please respect the barriers and do not disturb the neighbors in the area. We also ask your help in keeping the area/grounds around the arena clean by always picking up after the dogs and throw the garbage in the designated trash cans.

## PREPARATION FOR START

Please check the SAgIK Tävlings website for your start number in each class which will be avail-

able the day before the competition. All starting lists will be available in binders in the arena.

The course walk will be before the first start in all classes. X-small and small as well as large and X-large have a shared course walk before the class starts. There will be an adjustment of heights between these classes. All course walks are 8 minutes long. Please check the schedule below to find out which course walk group you belong to, We reserve the right to change the starting order, if necessary, for the classes during the competition day. Please keep track of your start number so the class runs smoothly.

For dogs in heat the starting number will not change. Show consideration to your contestants if you have a dog in heat.

If your dog gets disqualified during the run you may complete the course in compliance with competition rules. Since there are many starters in each class we ask you to respect this rule.

## GÅSAHOPPET FINAL

As a contestant you can qualify for the finals in both official classes as well as in the open classes.

In Small and X-Small, 30 contestants will qualify for the final. Three final tickets are distributed in the official classes and five final tickets in the open classes. Result lists will be merged for small and X-small and the final tickets will be distributed from the merged list.

In Medium 30 contestants will qualify for the final. Three final tickets are distributed in the official classes and five final tickets in the open classes.

In Large and X-Large, 35 contestants will qualify for the final. Four final tickets will be distributed

in the official classes and five final tickets in the open classes. Result lists for large as well as X-Large will be merged and the final tickets will be distributed from the merged list.

If a team that has taken a final ticket gets another one, that final ticket will be given to the next team on the results list.

The winners of the Gåсахoppet 2017 are directly qualified to the final of this year to defend their title. In the finals, there will be three winners in each of the small, medium and large classes. Small and X-small will run in a joined class where the jump height will be adapted to the dog's size class, 20 cm for X-small and 30 cm for small. # GÅSAHOPPETS FOUNDER

## BO SILFVERBERG

We have reached a new record in the amount of starting teams! We have reached a new record in the number of countries participating in Gåshoppet! We have reached a new record in our number of sponsors who will be present during the competition. Our sponsors have provided extraordinary prizes for all the competitors. This will be the 12th annual Gåshoppet and we are really looking forward to Gåshoppet 2018!

But in our delight that the Gåshoppet has become such a success, a reference point In Swedish agility, we feel great sadness that the founder of Gåshoppet, the competition's founder and initiator, Bosse Silfverberg, will not be with us. Bosse's main goal when creating Gåshoppet was to give all agility enthusiasts a world-class competition with high quality judges and a great event, his gift to us agility enthusiasts. We wish to cherish this initiative!

In Bosse's name and in his memory we want to

continue to make Gåshoppet an agility experience, the highlight of the year!

We will provide everything so that Gåshoppet will continue to be the Easter tradition it has become for both our Swedish and international agility audience. In memory of Bosse, this self-designed bracelet will be available for purchase at Gåshoppet. We charge 50 kr for the bracelet but you can of course feel free to donate more. The profit goes directly to the Prostate Cancer Fund, In Bosse's memory.

We thank you in advance for your consideration and contribution!
